

A GOLFER'S PARADISE

Located on the shores of Lake Geneva, at the foot of the Alps, the Evian Resort Golf Club enjoys exceptional views and is one of the most beautiful golf courses in France. Its major championship course and its Academy, the only one of its kind in France, have won over the leading names in golf and have truly become global benchmarks.

ITS HISTORY

In **1904**, the Evian Mineral Water Company bought the farm and land belonging to the Berthet family to build a 9-hole golf course with the forthcoming opening of the Hôtel Royal in mind. Overlooking Lake Geneva, one of the first golf courses in France was an immediate success with visitors who were enchanted by its views and vegetation. The course was extended to 18 holes in **1922**.

Renovated **in the early 1990s** by the architect Cabell B. Robinson (former assistant to Robert Trent), then completely redesigned **in 2013**, it was renamed The Champions Course **in 2020**. The course is highly spectacular with technically-challenging greens and strategically-placed hazards, providing a venue fitting for the status of The Amundi Evian Championship, one of the five international women's golf majors, while offering amateurs a course on which they can express their style of golf to the full.

Just a stone's throw from the greens and enjoying an unobstructed view of the mountains, the restaurant "**Le Chalet**" serves quality food with a choice of light or more indulgent dishes in a stylish, friendly atmosphere.

THE AMUNDI EVIAN CHAMPIONSHIP

THE ONLY WOMEN'S GOLF MAJOR IN CONTINENTAL EUROPE

Each year, the Evian Resort Golf Club hosts The Amundi Evian Championship, the legendary tournament which has crowned the greatest women golfers in the world. Launched in 1994 by Antoine and Franck Riboud, in 2013 the tournament became one of the highly select 5 Major championships in women's world golf.

This major, which the champions say is unlike any other, stands out for the quality of its course. An incredible driving force in providing exposure to women's world golf, The Amundi Evian Championship has forged its own history to become a unique event with a legendary track record. Its singular status and strong ambition is visible in its commitment to bring to the fore and support young talents.

EVIAN RESORT GOLF CLUB ACADEMY

A CENTRE OF EXCELLENCE DEDICATED TO GOLF

The Evian Resort Golf Club has its own training centre, the Academy, which has joined forces with the world leader in golf instruction, the famous coach David Leadbetter, to provide top-quality instruction. Each player can follow a tailored tuition programme thanks to 6 training modules designed for working on all aspects of the game and the many training aids that use the latest technology (TrackMan, TrackMan Range...). The Academy offers private and group lessons by a team of 4 pros.

THE LAKE COURSE

Since 2020, the Evian Resort Golf Club has a second course located at the Academy. With 6 par-3s, it offers a real alternative to the 18-hole "The Champions Course". Nestling in outstanding surroundings with breathtaking views of Lake Geneva, both beginners and experienced golfers can indulge in their passion in around one hour. Designed by architect Dave Sampson and named "The Lake Course", it is technically challenging with tee box locations suited to all abilities and top-quality greens.

GOLFING ALL YEAR ROUND!

The Evian Resort has acquired an **indoor GolfZon simulator**, located at the Hôtel Royal. Individually or with friends, there are 180 courses to be played around the world (St Andrews, Mission Hills, Pebble Beach...) including The Amundi Evian Championship course, and lessons available with a golf pro from the Academy. Equipped with a multitude of sensors and cameras, the GolfZon simulator analyses data in real-time.

THE MANOIR DU GOLF

A unique stay at the heart of the Academy. Golfers can stay at the **Manoir du Golf**, a charming property with 7 rooms and suites that can accommodate up to 17 guests, and that can also be booked for exclusive use. A welcoming atmosphere with the feel of an English clubhouse for an exclusive golf experience.
